Convenience and Necessity and for a Base)	MOTION TO FILE AND
Load Review Order for the Construction and)	PRESENT PANEL
Operation of a Nuclear Facility in)	TESTIMONY
Jenkinsville, South Carolina)	

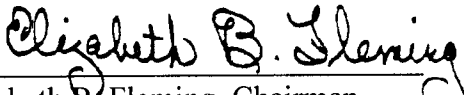

This matter comes before the Public Service Commission of South Carolina (“Commission”) on proposed suggestions filed by Intervenor, Joseph Wojcicki, in response to the Office of Regulatory Staff’s (“ORS”) Motion to File and Present Panel Testimony. On September 26, 2008, ORS moved for this Commission to allow the filing and presentation of witness testimony as a panel. ORS hired a team of consultants from C. H. Guernsey & Company to evaluate, review and provide testimony on South Carolina Electric & Gas Company’s (“SCE&G”) combined application in Docket No. 2008-196-E. ORS requested to file and present the consultants’ testimony as a panel. At its regularly scheduled meeting of October 15, 2008, the Commission ruled to grant ORS’s motion. *See Directive dated October 15, 2008.* Accordingly and pursuant to the Commission’s ruling of October 15, 2008, Order No. 2008-724, “*Procedural Order on Form of ORS Testimony*” was issued October 22, 2008.

On October 17, 2008, Mr. Wojcicki filed proposed suggestions to ORS’s motion for consideration by the Commission. Although the Commission respects and

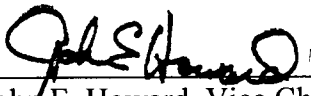

appreciates the suggestions put forth by Mr. Wojcicki with regard to ORS's motion, his response to ORS's motion was not timely filed pursuant to S.C. Code Ann. Regs 103-829, and ORS's motion was ruled on and approved by this Commission at its October 15, 2008, meeting. However, Mr. Wojcicki's October 17, 2008 letter will be filed and made part of the record in Docket No. 2008-196-E.

This Order shall remain in full force and effect until further order of the Commission.
